Mr. McIntyre
Voc. Ag.

This year as you're walking around in the halls you have probably seen a few new faces. This year the new teachers include: Mrs. Tonniges, Mr. Becker, Mrs. Clarke, and Mr. McIntyre. Mrs. Ortengren isn't new to any of us, but she is the new Principal. We would like to welcome all of the teachers back.

Our faculty is a very experienced group of people. Without the teachers the young people of America could not make the decisions to keep the country alive as they grow older.

Administration

Superintendent: Keith McMann

TO THE GRADUATING SENIORS:

Congratulations on your graduation. Your graduation day has been an important goal for most of your last four years in Polk High School. I hope you will continue to have many goals in your future. Aim for a goal, strive to meet it and enjoy the feeling of success with completion of each goal.

Carol Ortegren

TO THE CLASS OF 1987!

Congratulations! You have achieved one of life's great milestones, graduation from high school. You are now embarking on that magical journey toward a career and will now come to light as you begin your career preparation. Those of you who have prepared wisely will find many doors open to you that can only be opened through education. For those that have not mastered the difficult feat of setting career goals, all is not lost, there is still time to strive to reach them and still time to change plans. It is not too late! Time is not to be wasted! Now is the time to make those decisions. Society is becoming so complex, knowledge is increasing so rapidly, only those who have built a solid educational foundation in high school will be able to keep abreast of the information deemed necessary in our society. Your high school years form the basis upon which your whole future is built.

Keith McMann

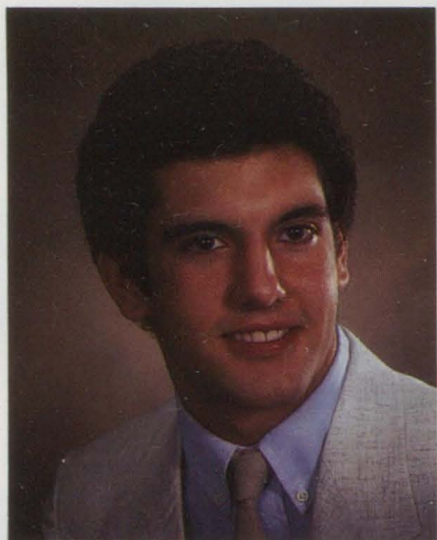

Principal: Carol Ortegren

Precious little memories of little things we've done,
Make the very darkest day a bright and happy one,

Tender little memories of some word or deed,
Give us strength and courage when we are in need,

Blessed little memories help us bear the cross
And soften all the bitterness of failure and of loss,

Priceless little memories are treasures without price
And through the gateway of the heart they lead to paradise.

Tammy Coover
Brad Dose
Scott Feldt

The class of 1988 has always been a high spirited class. Spirit is a part of school and the junior class helped keep it alive.

Their main income was selling magazines to family and friends in the surrounding communities so they could give the seniors a prom they would remember.

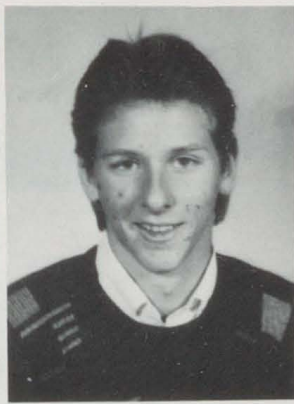

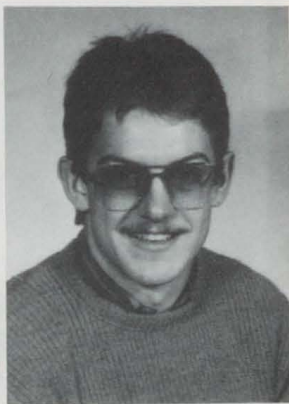

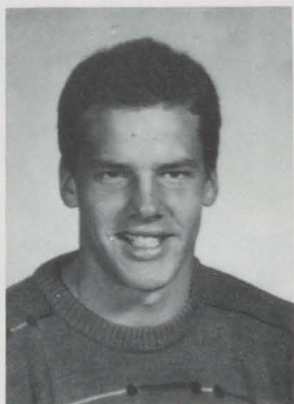

The junior class has been active and successful in football, volleyball, basketball, track, drama, and chorus.

Sometimes they may be a little rowdy but they are always supportive of their friends at P.H.S. Even when they have gained new people like Lennis Ortgren, Scott Feldt, and Leslie Goertzen they welcomed them into their family. "We hope you enjoy your years at P.H.S.

Sophomores

The Sophomores are now in the middle of their high school careers and have pride in successfully completing their Freshman year.

Purchasing a class ring was just one of the many things that the Sophomores participated in.

Among other things sports, and the arts were enjoyed by the students along with homework.

Freshman

Chad Adams
Wendy Blase
Sarah Brown

This year the Freshman started their High School years with thirteen. Even though they lost Rich Owens and Kelly Mariman, they gained Alisha Wilshusen and Kendra Meerkatz from the Immanuel Lutheran School. Both girls like it better this year because there are more kids in their class. Some of the students feel that their Freshman year is harder than Jr. High because now they are on more of a set schedule. The class of 90 is an exciting and wild bunch. Also many of the Freshman participate in school sports, drama, and

speech.

The Freshman weren't very busy in making money, but they kept the teachers busy. The class of 90 are looking forward to their next three years of High School.

It is not easy to be an eighth grader. Being an eighth grader means that you are expected to act more mature than the seventh graders, yet you are not old enough to participate with the high school kids. They have been tremendously busy with their classes and sports after school. The eighth graders are looking forward to high school.

Annual Staff

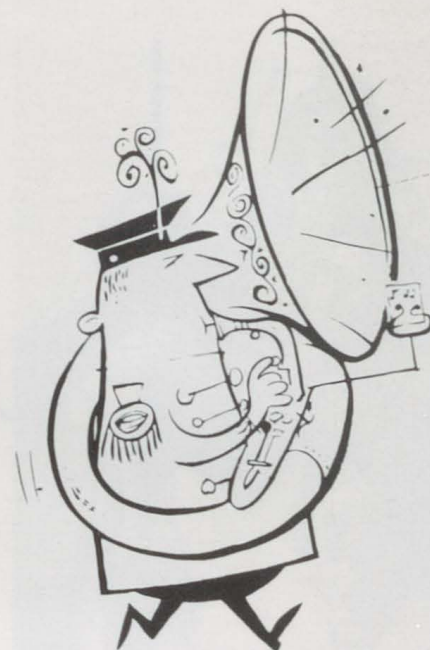

The annual staff this year consisted of five girls and our new sponsor, Mrs. Tonniges. The first semester was a busy time for the staff. We made layouts, sold annuals, and sold ads. We also had to take time out to decide on the theme and the artwork that would be used. During the second semester we finished the layouts, typed, and worked on putting the final touches on the annual.

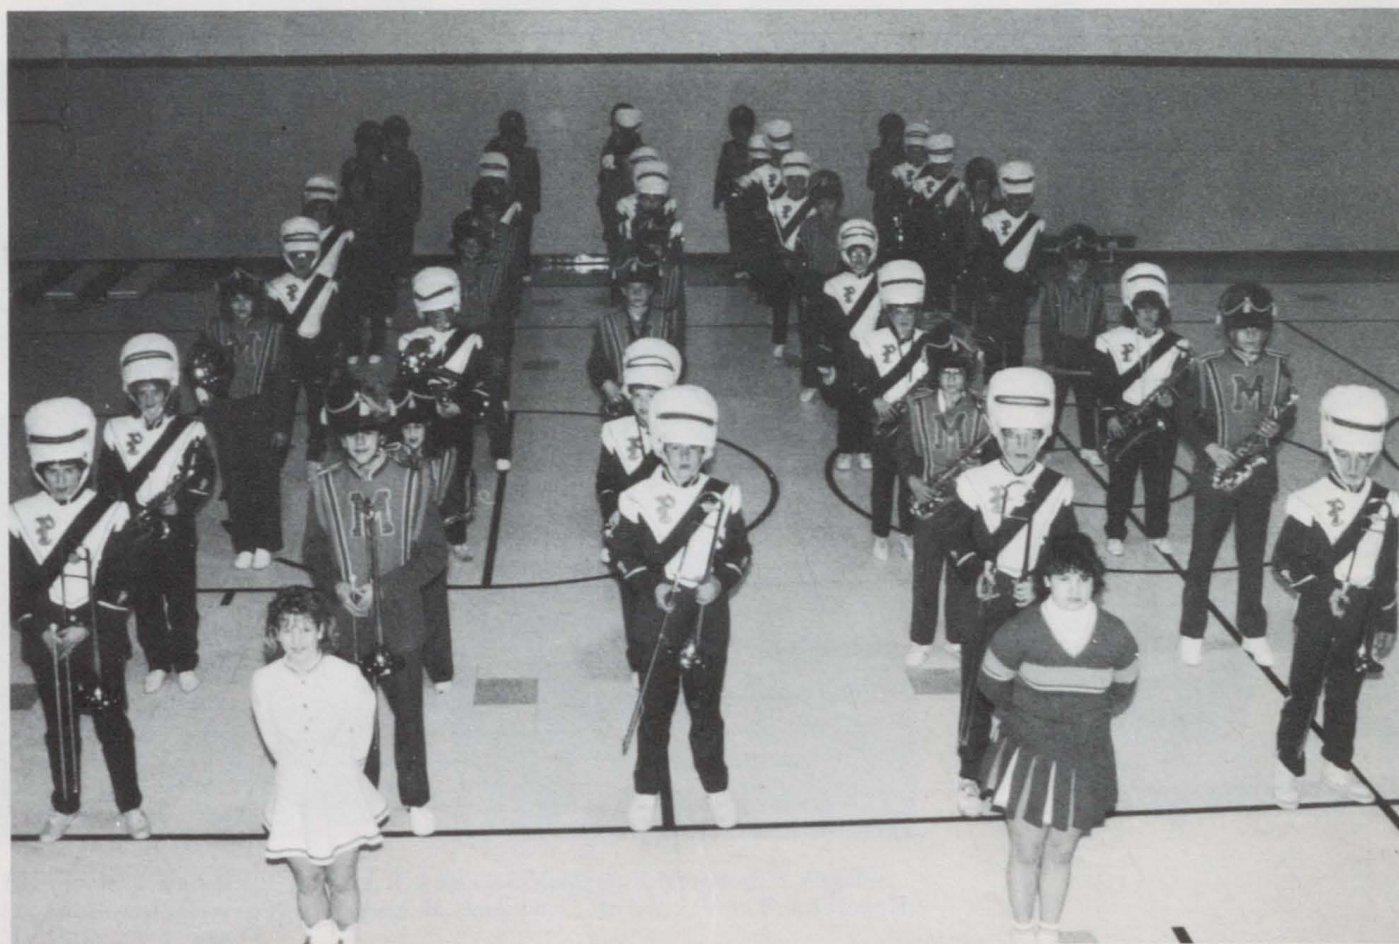

Top to bottom: Julie Edwards, Karen Ziegelbein, Carlene Brown, Robin Cerney, Lynette Wimmer.

Follow Your Dreams was the theme for the All-Activities Banquet held on May 9th at the Elementary school gym. The 8th grade students were the servers for the fun-filled dinner. Awards were given to the students for their achievements made from following their dreams. The climax of the evening was the crowning of the king and queen. Following the banquet was a dance held by Knorr Enterprises. The bounty of colorful streamers, lavender, peach, light blue, and pink were flying all night long as the night was danced away.

Mr. Ritta acknowledges Senior boys for their accomplishments.

Come on guys, there's nothing to it.

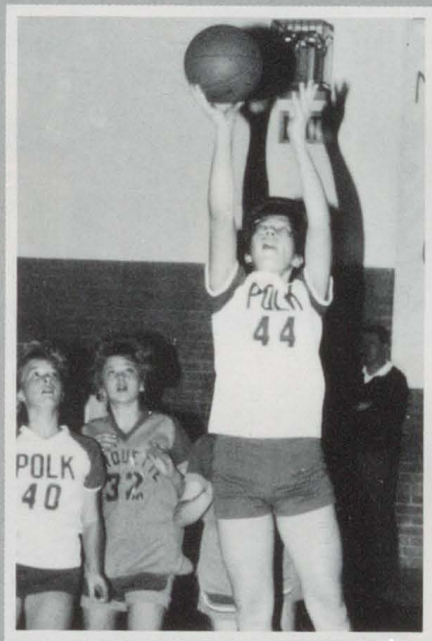

Ready and waiting!?!

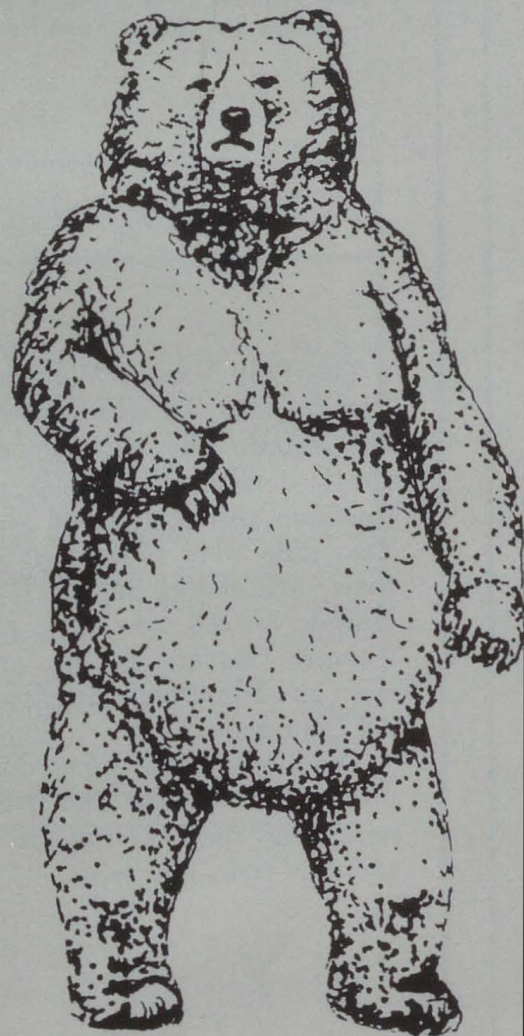

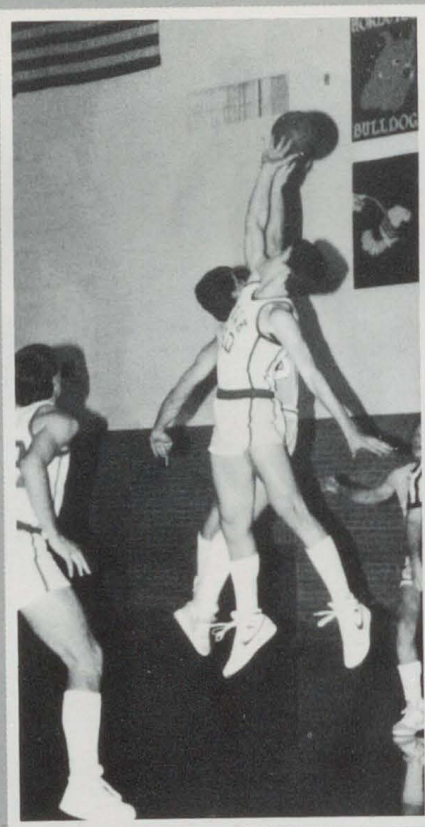

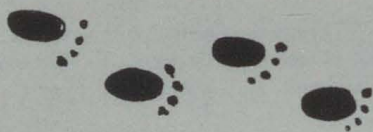

Athletics

Athletics gives students the opportunity to work with others and to benefit from team efforts. Dedication, hard work and talent are the three important ingredients to the road to success.

Sometimes success doesn't rise over defeat just as in life we have to face a few losses. But, what's a few losses against the winning cubs.

Volleyball

The Polk Varsity Volleyball club finished the season with a 3-9 record. The cubs showed spirit, determination, and enthusiasm throughout the year. Two girls were recognized for their outstanding talent, Roni Harless for All area team and Tammy Coover 2nd All area team and Honorable Mention in All Conference.

The Lady Cubs were young but showed courage and liveliness. They have the right to be proud of their efforts.

Good spike Tammy!

Football

The 1986 Football Season was filled with many exciting and memorable moments, for both the team and fans. Each Season, dreams and goals are set in hope of playing in the State Championship Game, for Polk, this dream came one game short, as the Cubs reached the Semi-finals Undefeated and rated #1 in the State, before being turned away by Sidney St. Pats, the

eventual State Champions.

Paul Van Housen also set a State Record in Rushing for a Single Season by an Underclassmen. Paul was runner-up for the State Rushing title, and made the State 1000 yard Rushing Club.

Many hours of hard work and commitment to become a competitive and respected Football Team has paid off. The Coach-

ing Staff and the Team would like to thank all the loyal fans for their support throughout the year.

The 1986-87 boys basketball team had a successful campaign of 14 and 4. We played a tough schedule of C-2, D-1, and D-2 teams. Only 6 of our games were against opponents with losing records and 9 games were against top ten rated teams.

As a team our expectations and goals were high. We had visions of qualifying for the state tournament and getting a chance to play Clearwater. This was not meant to be as we came up four seconds short in the district final game.

The season proved to be an excellent learning experience. We learned the value of team effort and commitment. That basketball relies on people working together for the same common goals. Finally, even though our goals were not totally reached, it sure is *FUN* trying.

I would like to give a special tribute to the five seniors: Bill Ziegelbein, Alan Anderson, Jason Norquest, Joseph Harless, and Dennis Garrett. These five worked exceptionally hard to keep the team together. The success of the season was because of their dedication and effort. Thanks seniors for all you have done for Polk basketball and the community of Polk. You have been a real class act.

Twenty-five boys competed on the Polk track team this spring, with nine of them qualifying for the state track meet. The boys were able to win all eight track meets they were in by over a 50 point margin. I felt that the boys gave a very good effort, and proved that track can be a team sport.

Ten girls competed on the Polk track team this spring, with four of them qualifying for the state track meet. The girls were able to win two track meets, and finish very well in all their track meets. Nine of the ten track members are underclassmen and will be back to compete next spring.

Winning the 800 m
